Jane and Michelle.

I hope you are staying warm.

The Vatican is waiting on communication from the U.S. Embassy on this matter. They are excited over the possibility of a visit and as you all know my contacts are with the Swiss Guards and it will be Jane who can coordinate the actual details and thus the trip.

In addition, Jane through proper channels will communicate through the U.S. embassy in Rome and that will get things started.

I look forward to once again providing my security assistance in Italia!!!

Ciao!

Jane, the Administrator wants us to lock down the trip to Italy by the end of the week. Ex. 6 - Personal Privacy has some info to share re the Vatican. Also, the Administrator may want to go to Canada before the end of June. We can discuss all this at our scheduled meeting. Thanks a bunch.
